Dear Sullivan County Families,

It is with great excitement that I write this letter of introduction to you as the newly appointed Elementary Principal of Sullivan County Elementary School. I am honored to have the opportunity to lead this excellent school community. I can assure you that I share in this school community's dedication to caring for our students every day while providing them with a meaningful learning experience. I believe that all students are capable of high levels of learning and success. I am committed to building and maintaining a strong, trusting school culture, as well as supporting our teachers, staff, students, families, and community to ensure that our students receive the highest quality of education and the supports necessary to be successful.

I have been dedicated to the field of education for the past twelve years. I started my educational journey by earning my Bachelor of Science Degree in Elementary Education K-6 from Bloomsburg University. I earned my first Master of Science in Education Degree in Educational Development and Strategies from Wilkes University. I am currently finishing my second Master of Science in Education Degree in Educational Leadership from Wilkes University. I have always embraced the mindset that learning is a lifelong process. I continue to seek professional development opportunities in order to better serve our faculty, staff, students, and our community.

I firmly believe that every child can succeed and that the cooperation between home and school builds trust and self-esteem in students. I am devoted to continually exploring new ideas to meet the needs of all students. Please know that my door is always open to you and I sincerely welcome your conversation and input. I'm looking forward to meeting everyone and having an excellent 2021-2022 school year!

Sincerely,

A handwritten signature in black ink that reads "Samantha L. Kahler".

Samantha L. Kahler
Elementary Principal
