SUICIDE HOTLINE	800-273-8255

In 2018, Pennsylvania Governor Tom Wolf signed Act 44 of 2018 into law. While Act 44 is expansive, a key mandate in the law requires the Pennsylvania Office of Attorney General to implement a school safety anonymous tip program. In partnership with a non-profit organization, Sandy Hook Promise, the Pennsylvania Office of Attorney General has activated the “Safe2Say Something” anonymous tip line effective January, 14 2019. Individuals can submit a tip by clicking the image below. Please know you may also report any tips relating to school safety and security to any school administrator, local or state law enforcement entity.
